Action Required: For your information, and cabled comments.

1. Attached herewith is one copy of the draft paper prepared for presentation to the OAS. As mentioned in previous traffic, this paper is for [redacted] information only and is not to be shown to the [redacted]. Please cable your comments to Headquarters as soon as possible.

2. This draft is based on A1103-1 information and the documents he brought with him. Statements which show a discrepancy with other known information should therefore be accepted as his version of situations, not as current [redacted] recordings. Sections marked in red brackets are being considered for deletion, and will probably not appear in the final version of the paper. This is a working draft only. Illustrations referred to in the draft will be inserted in the final paper.
