ACTION REQUIRED - REFERENCES

REF: HMMMA 21331, 10 May 1963

- Reference is made to your request in HMMMA-21331 to have the LIENVOY Project amended to include LIENVOY-6 and to raise the project approval by a total of \$2,080.
- Since this project already has been renewed (see HMMW-11457) Headquarters prefers not to process it again for an amendment, unless by the end of the project year it appears that obligations (including LIENVOY-6) will not remain within the approved project authority. The Station can continue to use and fund LIENVOY-6 under the LIENVOY Project even though this agent was overlooked in the current project renewal.
