SOURCE

A Cuban exile who is an official of the Movimiento Revolucionario del Pueblo (MRP, Revolutionary Movement of the People). For the past several months he has reported accurately on the activities of his organization and its affiliates and on exile political developments in general.

- As of 4 April 1964 Eloy Gutierrez Menoyo, leader of the Segundo Frente Nacional del Escambray (SFNE, Second National Front of the Escambray) who is preparing to launch the military phase of Plan Omega in the near future, had requested and recently received a news photographer's camera from Ted Ediger, Associated Press (AP) correspondent in Miami. Ediger has allegedly supplied Gutierrez with a "Speedgrafic" camera. Rene Cruz Perez has been taking instruction in the operation of the camera. There appears to have been no commitment on the part of Gutierrez to favor the AP service in the event that important news is to be reported from Cuba after Plan Omega is launched.
 - The speaking engagement of Rafael Hugert,¹ trusted lieutenant of Gutierrez, who is to accompany Gutierrez in the "invasion" of Cuba, has been cancelled. Hugert, fluent in the English language, was scheduled to attend a fund-raising rally in Orlando, Florida, on 16 April, during which he was expected to describe the military position of the alliance formed by the Movimiento Revolucionario del Pueblo (MRP, Revolutionary Movement of the People), Alpha 66, and the SFNE. Gutierrez indicated that Hugert's services would be needed before the scheduled rally.
