MEMORANDUM FOR: Office of Legislative Counsel  
ATTENTION : Rodger S. Gabrielson  
SUBJECT : Transmittal of OTS Files for Permanent Retention by OLC

During the recent records review conducted by the Office of Technical Service at Warrenton, OTS surfaced 4 files that pertain to Lee Harvey Oswald. These files were not found during any previous OTS searches because they were filed by "Case Number", not by name. These files are no longer needed by OTS, and they are being turned over to the Office of Legislative Counsel for their permanent retention. The files in question have been reviewed by Mr. [redacted] [redacted] of the Office of General Counsel and they are transmitted herewith as attachments to Form 141c.
