1. Gene - WE/S has asked that the attached questions be directed to BUTIERREZ Menoyo. Recall they were first held up as subject was of some interest to WH/4. \_\_\_\_\_ called about two or so weeks ago + asked if questions could now be forwarded to Bureau for possible servicing. I was unable to find questions and have just recently dug them out during a "file clean out campaign". Can we do any thing with the FBI on these? We (WH/4/CI) have no objections to their being asked. RWB  
Bos - Per our conversation. Thank you.
