In response to Reference A, the Station notified Headquarters in Reference B that the \$500 monthly subsidy to the LIMUF student organization would cease as of 30 April 1966. Headquarters believed that the April subsidy payment reported in Reference C and charged to Project LIRANCH was to be the last payment. 2. However, in both References D and E, subsidy payments of \$500 were again given to the LIHUFF student organization for the months of August and September. These expenditures were charged to LILISP-X. The most recent renewal requests for Projects LIEUFF and LILISP-X do not contain provisions for this subsidy. Headquarters was under the impression that the subsidy would not be continued and would appreciate the Station's comments. Kenneth B.
