REFERENCE: RMA - 60754, 10 December 1962

1. On 16 January 1963, the undersigned discussed the SECTION use of USURABLE/2 as noted in the above reference, with Harry H. LAMMON from the March Base transiting Paris.

2. The Station pointed out that it has no objections to the use of USURABLE/2 as outlined in the above reference. LAMMON was briefed, however, of the inherent security danger in view of the fact that the local [redacted] [redacted] have attempted to approach USURABLE/2 for possible FOREIGN activities. Arrangements for continued safe contact with USURABLE/2 from March has been arranged and given to LAMMON.
