Subject, outside case officer for the LIENVOY Project LP, performs his work promptly, eagerly and efficiently. He is conscientious and willing and is always ready to do his utmost in the interest of this Organization. He views his work to be interesting and valuable. Because he finds it thus, the technical operation of the Project has moved along smoothly and consistently.

As head of the technical end of the LIENVOY LP, Subject works solely with indigenous personnel. Therefore, he has constantly to be on guard to be tactful and considerate yet keep KUBARK's interests paramount. He has done this with success.

As a technician, Subject has done his work most efficiently. The valuable and great amount of equipment in his care has been serviced and guarded by him as though it were his own. This equipment could not be given better care.
