ENTITATED STATES AND NEWHER CONTINUATION OF SKCRET UFGA-26075 DISPATCH (201 (201762)) CANCER/BIndder Removed Receiving outpatient treatment; most recently for a kidney infection. AMBUD-3 states that it is incredible that Subject continues to live. The case is summarized in a report prepared by Dr. Vargas in May 1966. (Attachment B) (U/S/C) (201-(284434)) Receiving outpatient care at Jackson Memorial Hospital Department of Psychiatry. A 5 May 1966 report from the Hospital recommends that Subject continuo under psychiatric outpatient care for at least another year. (Attachment C) (U/S/C) MENTAL Continuing to receive treatment from Dr. Mora who wrote on 11 August 1966 that Subject is very ill and in need of further psychiatric treatment. (Attachment D) (U/S/C) (201(292760)) Continuing to receive treatment from Dr. Mora who wrote on 11 August 1966 that Subject has shown signs of real improvement which may result in his becoming self-supporting. (Attachment E) (U/S/C) (Garcia Lines, 201 not hvailable) BLIND (Advanced glaucoma) Receiving outpatient care at Jackson Memorial Hospital.

described in Reference C for handling the cases of and be expanded to include all the remaining cases and that JAWAVE be informed of the conclusions reached concerning the ultimate disposition of these cases.

(Attachment F) (U/S/C)

4. FYI. An amount of \$250,000 was originally authorized for the medial phase of the AMEUD Program. Expenditures under this program have reached a level of approximately \$245,000 with bills outstanding at the present time of \$3,250. It is evident that the cases remaining which require medical treatment as outlined above will necessiate the expenditure of sums in excess of this amount.

Philip G. ELMARD
