08:57 - ORISE (Garcia's book, 1966)

A: Demonstrating some... he is saying that he had not served as expected and having, left criticized by the government killed himself. -that shows you that type of man he was and which were his ideals.

B: Yes but he killed himself. Today no one remembers him.

C: -but you only have to analyze Garcia's statement to see only that he is a coward.

A: LIZEL once told GARCIA to be careful of going to too many parties, because when he was thought about it, would be in a position for the enemy to get near him. He answered LIZEL that he was right, and at that moment he had already acted with ANTONIO. -that would have been the moment, that he should have told LIZEL what he had done and I am sure that LIZEL would have helped him. //

B: He is very fat and even confessed of taking drugs. He was always so ambitious and it is a pity that PEDRO pardoned his life.

D: And what do you tell me about Juan MARTIN B. or Julia?

B: Was he also in Foreign Relations?

D: -no he was in Madrid. -isn't you know his declaration?

A: PEDRO had forgone any a man's life in Cuba of which I don't agree. Among them that of Luisito ROSO.

B: But then you have the fantastic case as that of that boy who is President to the F.U. (University -tudents Federation). He is a triple A student.

A: Yes of course. Jaime Gonzalez, actually Secretary of the UJC (Union of Communist Youth).

B: Don't you know the Revolutionary story of this boy?

A: No, but I know he is a very good Revolutionary.

B: Fantastic. One of the exceptions. He has his father and mother doing a term of 20 years, accused of being anti-revolutionary.

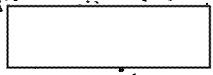

A: -that shows you, the blind faith that PEDRO has in those youth.

D: Informe Arturo Hernandez not to forget the appointment they have this afternoon with the use of the apartment... that he wants to...
