5-5 1/2: This is self-explanatory. View hard feelings of FBI re this matter (damn to you, Jane to you, etc.), I feel that this should be brought to attention of C/W/H/4 for reiteration in staff meeting. Then info can be brought to our attention for advising Bureau as required. FYI, Jane advised me that this was not written as a result of the "big incident" but actually preceded same.

5-8: When Opeach has been kept advised as new broke in our traffic. Hereafter, however, we shall advise him telephonically and then follow up with memo, C/4
