CENTRAL INTELLIGENCE AGENCY  
WASHINGTON 25, D.C.

1 July 1964

MEMORANDUM FOR: Mr. J. Lee Rankin, General Counsel  
President's Commission on the Assassination  
of President Kennedy

SUBJECT: Lee Harvey Oswald's Arrival Time in  
Helsinki on 10 October 1959

1. In response to your memorandum of 25 May 1964, we have established that the only direct flight from London to Helsinki on 10 October 1959 was Finn Air flight 852 which arrived in Helsinki at 2333 (11:33 P.M.). If Oswald had taken this flight, he could not normally have cleared customs and landing formalities and reached the Torni Hotel downtown by 2400 (midnight) on the same day. This is based on the judgment of officers in this Agency familiar with the Helsinki airport.

2. We are presently attempting to determine if Oswald could have taken a more circuitous flight from London, with a stop at Stockholm, Copenhagen, or some other city. Any additional information received will be forwarded to you promptly.

Hayes Gorey of Time is writing a piece on Oswald.

He finds in the Warren Commission report a letter from Helms to Rep. Rankin. It is exhibit 2774. The letter says there were no October 10 flights from London to Helsinki but that the Agency will dig still further to clarify this point.

This has to do with the passage of Oswald from London to the Soviet Union, I gather.

Mr. Gorey's query is:

Was the digging done? What did it show?

Is there anything we can do to help Mr. Gorey.

MEMORANDUM FOR: Assistant to the SA/DDO  
Mr. Richard A. Fuller

SUBJECT : Oswald Flight Inquiry by Time Magazine

Pursuant to Mr. Thuermer's request to provide Mr. Gorey of Time magazine information on Agency efforts clarifying whether or not there was an October 10, 1959 flight from London to Helsinki, Agency records indicate a message was received dated 24 June 1964 which reflected that there was a direct flight from London to Helsinki on 10 October 1959. It was FINNAIR Flight 852 which arrived Helsinki at 2333 hours. This information was passed on July 1, 1964 to Representative Rankin. Efforts to ascertain if there were other more circuitous flights from London on that date were explored without apparent success.
