Attached is a request from the National Archives and Records Center for a review of all CIA documents held in the Warren Commission records. DDO/FIO asked whether CI Staff was the appropriate component to undertake the review. At the time, as I recall, Mr. Hartman and Mr. Crooks were transferring responsibility for much of the CS records holding on Oswald to SE and LA. I do not know what the answer should be to Mr. Randall's query. (I apologize once again for an item which was unduly delayed.)
