3. ⁶ It is requested that the Headquarters reviewing ⁸ action ⁶ described in Reference C for handling the cases of [redacted] be expanded to include all the remaining cases and that JMWAVE be informed of the conclusions reached concerning the ultimate disposition of these cases.

4. FYI. An amount of \$250,000 was originally authorized for the medial phase of the AMBUD Program. Expenditures under this program have reached a level of approximately \$245,000 with bills outstanding at the present time of \$3,250. It is evident that the cases remaining which require medical treatment as outlined above will necessitate the expenditure of sums in excess of this amount.
