1. At 0959, 15 December, all available personnel are on the

mission to contact the D-1 site in the area of the operational

contact of 15 December 1973. As a result of the tactical

situation, no intelligence is available to support the

mission. The mission is considered a test of the

operational readiness of the Intelligence Branch and

the Joint Intelligence Staff.

2. A detailed written report of the mission is included in the

report by the D-1 site intelligence officer.

3. General conclusion:

a. Only two agents were actually

contacted in the D-1 site as a result

of an operational contact.

b. The two agents contacted were

able to provide valuable

information.

4. Future plans:

a. The D-1 site will continue to

be monitored for future

contacts.

b. A detailed written report of

the mission will be submitted

for future reference.
