NO INDEXING REQUIRED

INFO Chief, WS; Deputy Chief, WH/BA

ONLY QUALIFIED OFFICE

FROM Chief of Station, [redacted] *W. A. H.*

MICROFILM

SUBJECT KN, WAY PERUMEN UNRUSSLE

ACTION REQUIRED [redacted] for UNRUSSLE/2

Reference: WAVE 7324

Action: For your information.

[redacted] very much appreciates your follow up in the search for a replacement for UNRUSSLE/2, as indicated by referenced cable and preceding traffic. However, at this time, we do not feel that a continued active search for such a candidate is warranted. UNRUSSLE/2 has now left Paris for PEQUINE; thus, his influence in assisting a new man to power would be lacking. Also, the target which UNRUSSLE/2 covered while here has decreased in operational importance to us and we are seeking other locally available agent candidates to cover what we wish. Therefore, we do not feel that the recruitment and dispatch of an agent to Paris as a replacement for UNRUSSLE/2 would justify the time and expense involved. This is not, of course, to say that a likely type who intends to come to Paris in any case, and to whom JMWAVE has some access, would not be welcomed here. Again, we thank you for your efforts in our behalf.
