The following was furnished to the Liaison Agent on November 2, 1962, by [redacted] CIA *[Signature]*

A reliable source has advised that ~~Jorge Rojas Mendoza~~, a Cuban national residing in Mexico City, has been very influential in arranging travel for people moving from Mexico City to Cuba. He uses the Cubana Airlines. CIA suggests the possibility that Rojas may have been a key figure in arranging the travel of the subjects from Mexico to Cuba. This is strictly speculation at this point. *(u)*

The above information is being directed to the attention of the Espionage Section and Nationalities Intelligence Section.
