DISARMAMENT TALKS REPORTED

22 Nov 63 1900  
 Routine

For

In accordance with your instructions in Nr. continued talks  
 on disarmament with the Americans along these lines:

A. Inspection points plus threats is one of the possibilities.

B. Formal unilateral steps, actually simultaneous reductions by  
 both sides.

Talks with a representative of the Department of State: In recent talks  
 with GROMIKO, the USA proposed the destruction of a certain number of bombers  
 by both sides without inspection. GROMIKO did not turn down the proposal.  
 They are ready to expand the idea to include rocket launchers and other types  
 of weapons also without inspection, in order to comply with the reservations  
 of the USSR. He considers a formal agreement on future reductions or a freeze  
 too difficult to attain next year because of elections. A confidential agree-  
 ment is possible.

Information of KENNEDY's assassination was received during the discussion.  
 The reaction: Eliminates the possibility of any steps for elections and  
 freezes the situation.
