OCCURRENCE:
[redacted] met with [redacted] who reported to him AMLASH's reaction to his meeting with FITZGERALD. [redacted] said that AMLASH dwelt constantly on the fact that "he could not understand why he was denied certain small pieces of equipment which promised a final solution to the problem, while, on the other hand, the US Government gave much equipment and money to exile groups for their ineffective excursions against Cuban coastal targets. According to [redacted] (AMLASH) feels strongly on this point, and if he does not get advice and materials from a U.S. Government technician, he will probably become fed up again, and we will lose whatever progress we have made to date." OCCURRENCE: The memorandum of April 25, 1967 which introduces the IG's Report on assassination plotting in relation to FIDEL CASTRO indicates that the only written records which served as a basis for the IG Report were: Notes of William Harvey; Records of Dr. Edward Gunn (Office of Medical Services; and, brief records of [redacted] (of TSD). Some operational files were also used. For the most part, the Inspector General's office relied upon information given to us orally by people whose memories are fogged by time. (1)

"We interviewed everyone whom we could identify as likely to be knowledgeable, with the exceptions of MR. DULLES and GENERAL CABELL." (2)
A complete list of the interviewees is attached to the IG Report at Tab A. "If there are significant inaccuracies in the Report they are most likely to occur in faulty ordering of the sequence of events." (2).
