LHO was a minor aspect of the case

if we were to send someone to neutralize Col
then send someone else First Chief Dir

Soviet would it send a message thru a defector
Re it shows a source in Soviet

Did N give in with report on LHO case
as he did in other matters.

- Did not interview N on LHO details -
too narrow - FBI + SB Allbody interview

N on LHO case

Copy of N goes in Polygraph test about would
believe what N says about LHO

if Lygon/HO report of case - N. A. B. F.

Other defectors had different experience with KGB debriefing

all guards could have made her reconsider

Belus N who he says in KGB in
talked to LHO

Could it hitch KGB officer as defector
rather than mission of overruling importance
