Dear Mr. Sternberg:

As you might surmise, your organ is well known to the Agency. Following the receipt of your letter of 31/3/76, a more definitive search for info pertaining to your request was conducted. No info was located which would indicate that the CIA has ever provided funds to the SRC either directly or indirectly. I trust this letter will allay any apprehensions your organization has had in this matter.

Suly has in the past & on numerous occasions maintained a direct liaison w/ Det. Rudy Gomez of WH + Lord Meyer of IO on certain sensitive matters ~~the~~ the nature of which we are not completely aware although some matters of security have passed through us. This liaison has existed before our arrival on the scene. Suly has requested that we attempt to determine who is to be the point of contact in WH on these matters previously

cancelled my money now that Rudy is no longer there. From what I guess, there are evidently some things which WH has requests be handled directly w/ them rather than the NYFC. We will appreciate your attempting to get a decision out of WH on this & would assume that it would be someone close to the Cuban situation since subject is in frequent contact w/ leaders of the emigre groups in Miami & Puerto Rico.

May 17 1960 Memo re. theme conference held re: future of SRC. Present were John Richardson, pres SRC, Leo Chern, & 2 CIA reps. New activity announced - SRC would give aid to democratic refugees from the Dominican Rep & Cuba.

Subj indicated that DCI was unwilling to have the SRC halt its activities & there was considerable discussion as to the amount of \$ which would be required to ensure the continued activities of the SRC. Possibility that a grant of \$100,000 will be made available to SRC although definite word on the grant has not been received by subj. as of yet.

Raymond said that, in his interrogation of Charles, Duvalier appeared primarily concerned w/ determining if Charles had served as a funding channel from Amer business men to Haitian conspirators. In the course of the conversation Duvalier showed Charles a photocopy of a cashier's check for \$170,000 drawn in Charles name. Charles allegedly replied that he had dealings w/ many foreigners + Haitians. He denied Duvalier's charges saying that, if he had been involved, it would have been a purely Haitian affair + he would not sully Haiti's honor by seeking help from foreigners.

Memo for Sup Chief WH/7 Oct 27, 1969

Following our receipt of info that [redacted] had taken a list of requirements into the US Embassy in Port au Prince & asked help in fulfilling them, WH Div. sent a memo on 19 Aug. 1969 to the Chief DCS asking DCS's contact w/ [redacted] (from whom Charles received the requirements) be terminated.

The DCS NY office on 29 Aug. 1969 sent a memo to Sup Chief DCS which reviewed the case noted [redacted] had been guilty of sloppy security & concluded that no further requirements would be given him. This memo did not, however, say that contact would be terminated, in fact, it said they would continue to deliver [redacted] whenever he returned from a trip to Haiti. The [redacted] replied

[redacted] (WH/6 11 Oct 69) that this was not enough, that the contact ~~be~~ should be completely severed... The result was a memo on 16 Oct 1969 from C/DCS to C/WH/D which referred to the original WH/D memo of 19 Aug. & advised that contact w/ [redacted] had been terminated. [redacted]

[redacted] was so informed. (DIR 48277, 21 Oct 69)

vised that CJC had passed a list of 9 questions
concerning the Haitian economy to an official of the

were quite format & although sterile, appeared to
be intell. requirements. Charles told the Embass.
that he had just finished a "~~big~~ job" for the

from the Pentagon...
