the enclosure to ref: makes it clear
that the anonymous caller spoke
only of a "Mario Gracias" and
that Mr. Santens assumed she
might be referring to Sergio
Archacha Smith. This assumption
seems unlikely because of the
dissimilarity of names.

name to which unid'd caller
intended to refer may have been
Manuel Garcia Gonzales.

Press reporter that Garrison
alleges that Garcia was one of
JFK's assassins. However, another
report from FBI N.O. 6/April 67
quote Dean Adams Andrews
as saying that Garcia doesn't
exist & that Andrews inserted the
name. CIA has no other record
of Garcia.
