ITEM PREPARED FOR THE WARREN COMMISSION

BY SR/GI/RESEARCH entitled

"PHOTO OF OSWALD IN MINSK". See XAAZ-22406

for chronological listing.

The photograph in question was discovered in Graphics Register by
Bill Brasko while checking photos of the city of Minsk. The photo of
OSWALD was first noted 12 March, and enlargements made the following day.
The FBI was requested on 20 March to interview the photographer and
transmittal of the photo to the Commission was delayed pending a
response. The FBI report arrived 29 April, and a memorandum to the
Commission was forwarded the same day.
