

NARS 1975 List showing status of docs.

16 December 1975

Mr. Randall:

According to telcon between Mr. Savige (Info & Priv) and Mr. Johnson of Nat'l Archives on 12 Dec 75, CIA apparently needed to review for declassification of material on Lists ①, 1A, 2 and 2A (see attachments) just the documents which were forwarded to us along with the lists by NARS. Mr. Paul Hartman reviewed the documents (also attached and has made appropriate notations for declassification.

CIOG/SO, ext 1731

~~which have been reviewed?~~

April 22, 1976

Hartman's notes on declassification have been attached to the individual documents in XAAZ-27162, Vols. I and II.
