Passage to Linime  COOA-97A5  COOA-97A5  COOA-97A5  COOA-97A5  1. Origony No. CONES came to Finland as a Vice Consul in 1955. In late Recess 1956 he was presented to Second Secretary and Chief of the Consular Section, Sowiet behavior, From information given by several sources, we have compiled the following beautipation of OCAES and some beautycound data.  2. He was born shout 1925 in the servirons of oither Clease or Kharkov. He produce the control of the consular section in Leadingrad and Rescow and was wounded six times. He had several sources, we have compiled in the Soviet Army, saw action in Leadingrad and Rescow and was wounded six times. He had several the control of peacest stock, his convertion implied that he was well-educated and knowledgeshle on the product of peacest stock, his convertably ne capitated that he and he wife would like to have children be often have not been so blessed. His main interest in sports was skiring. He was taken sourced the following health of the the control of the control of the produce while the product in the second of the control of the cont		TROUTA Tee serve	CLF CURCL ST. FURBLEST		
COA-3755  1. Grigory Ye. DOLUB came to Finland as a Yice Consul in 1955. In late Baces 595 he was promoted to Second Secretary and Chief of the Consular Section, Soviet abassy. From information glown by several sources, we have compiled the following secription of OCLUB and some background date.  2. He was born about 1925 in the environs of either Odesse or Harkov. He promoty asserted that he was a Ukraindan. During World War Li he was e coloned in the Secondary asserted that he was a Ukraindan. During World War Li he was e coloned in the Secondary asserted that he was a Ukraindan. During World War Li he was e coloned in the Secondary asserted that he was a Ukraindan to be a child psychologists. Although he looked like a product of pecsary lighted the Secondary of the secondary		o Liaisen			
2. He was born about 1925 in the environs of either Genes or Kharkov. He roudly asserted that he was a Ukraindan. During World War II be was a calanal in the Soviet Aray, saw action in Leningrad and Moscow and was wounded hir times. He lained to be a child psychologiste. Although he looked like a product of peasant took, his conversation inplied that he was well-echeated and knowledgeable on injectable, his conversation inplied that he was well-echeated and knowledgeable on injectation in the same well and the wife would like to ESSR. Contrarily, is knowledge of life outside the USSR was meager. He was searched to Kina Federov ather convertelly he emplained that he and his wife would like to have children be of an have not been so blessed. His main interest in sports was chiling. He was vorial, congenial and seemed be enjoy playing host. It has been vary obvious that laways plokes up the check when he dines with Westerners - even if he is not the how the same of Sophia; while to another he stated that Relainki was his first foreign sending the contract. It is possible that CUUB meant Helainki was his first foreign sending outside the Soviet Dioc (if he had served in Vienna, Werzaw, Budapest, moscingment. It is possible that CUUB's the conflict in the same that he language Institute is same that he same been deliberately strengting to conflue. He has conversed only in turnian and Firmish; however, he stated that he had attended the Language Institute is same that he also knows nows English but may feel reluctant to converse in Smith he same that he called for by his position.  h. GOLUB's predacessor was a known HIS officer, probably EEB. We suspect the Smith in now the top RES officer in Helainki. Although we have no concrute suidant for this suspicion, we feel that GOLUB's interest in Westerner generally and in particularly in his opposition.  5. IS 207h, when shows a newspaper phote of GOLUB, stated that GOLUB's face familiar. When DE 207h was told GOLUB's name, Source could not rescalar the directors and thou	COA-37h5  I. Grigo 956 he was pr mbassy. From	ry Ye. COLUB co comoted to Secon information g	nd Secretary and Chief iven by several sources	of the Car	sular Section, Soviet
h. GOLUB's predecessor was a known RIS officer, probably ROB. We suspect the COLUB's now the top NOB officer in Helsinki. Although we have no concrete eviden for this suspicion, we feel that GOLUB's interest in Westerners generally and in particularly in his opposite numbers in Western installations in Helsinki is more would be called for by his position.  5. DS 207h, when shown a newspaper phote of GOLUB, stated that GOLUB's face familiar. When DS 207h was told GOLUB's name, Source replied that there was a list tenant colonel with this name in the MOB. Source could not remember the directors but thought possibly it might have been a technical section. Source knew that Lt. GOLUB was a "fairly high bosss." DS 207k could not recall whether he had ever seen Lt. Col. GOLUB to knew him so he did not knew if the GOLUB in the newsphoto was identical with the Lt. Gol. GOLUB of the MOB.  6. We would appreciate any further information on GOLUB which might substant surplaints of his intelligence activities.  7. We are trying to identify positively the N. MAKKEV. We have written to the massigned to these areas. FOR YOUR INFORMATION ONLY: The description of the N. Makes who how assigned to Finland, more nearly fits that of Wkolay Gerastmovich MAKKEV who hotomerly assigned as a TASS correspondent to London from 1950 to 2953 and as Cultu Attache to the Soviet Rabasey, Born from February 1956 to about May 1957. In both London and Born he was suspected of engaging in intelligence activities. We would suppreciate receiving information on the N. MAKEEV, now in Helsinki, which might he was to identify him.  1 - 201-150156  1 - WE/6/Canada:RNJoyner PAUL R.
