MEMORANDUM FOR : Mr. J. Lee Rankin  
General Counsel  
President's Commission on the  
Assassination of President Kennedy

SUBJECT : Photograph of Lee Harvey OSWALD

1. As the result of a search of our graphics files for pictures pertinent to the story of Lee Harvey OSWALD's sojourn in the USSR, we have found the attached photograph (Attachment "A") of a group of persons standing near the Palace of Culture in Minsk. This photograph was taken by an American tourist in Minsk on or about 11 August 1961. Although the persons in the photograph are not identified in our files, we believe on the basis of comparison with other pictures that the second person from the right is Lee Harvey OSWALD.

2. The negative of this photograph was made from a color slide taken by Mrs. Monica F. Kramer, a United States citizen, during a trip through the USSR in August 1961. Mrs. Kramer was a resident of Solvang, California at the time she made the trip. The picture was made available to CIA routinely and voluntarily by Mrs. Kramer after the trip. CIA had no contact with Mrs. Kramer before or during her trip to the USSR.

3. It is worth noting that the person believed to be OSWALD is wearing a short-sleeved sport shirt of the same design or pattern as one worn by OSWALD in pictures taken of him in his apartment in Minsk in 1962. Copies of two such photographs, which were found among OSWALD's effects after his arrest and forwarded to us by the Federal Bureau of Investigation, are attached for comparison purposes. 4. Attachment "A" appears to substantiate OSWALD's presence in Minsk at least during the summer of 1961 and to indicate that he had contact at least on one occasion with American tourists visiting that city, as he once claimed in a letter to his brother, Robert Oswald.

5. The information above and the attachments were referred to the FBI for domestic exploitation. The results of their investigation are being made available directly to the President's Commission.
