

12 April 1977

Phone conversation with June in Fendig's office, re attached note:

June said 'Mr. Bishop provided an assessment on somebody but we also determined that this is a different Mr. Bishop. Bishop never worked for us. His only interest to DCD was because of his knowledge about a Professor who was extremely knowledgeable about French political situations in 1964. He never provided any substantive knowledge.' *one contact only.*

Sharon

*Should to Daly 12/4 @ 1530. I suggest to DSC call him
Wed. on same phone in Krzeger's (sp?) office - @*

*Green 5304
Orey 77
175 - 4684*
