

MEMORANDUM FOR: SA/DO/O  
 ATTENTION: Mr. Shepanek

FROM : Cameron LaClair

SUBJECT : HSCA Request for Richard T. Gibson 201 file

1. We have been informally advised by your office that the staff of the House Select Committee on Assassinations (HSCA) has come upon the name of Richard Thomas Gibson in a file on the Oswald case, which has prompted a request by the Committee for the file on Gibson, 201-306052.

2. Mr. Gibson <sup>24</sup> is an active agent of this division, resident in [redacted] and involved in sensitive current operations. For this reason, we do not wish to make his whole file available to the HSCA, given our obligations to protect sources and methods (in this case). <sup>24</sup> If the HSCA can identify the particular documents it wishes to see, or at least the time frame of interest, we will have the pertinent part of the file returned from Archives, searched to see whether in fact there are any particular documents concerning the specific interest of the HSCA, and so advise you.
