3. Personal Meetings. The following plan was established for personal meetings. Subject will send a picture of a boat that is utilized by INDER for excursions to AMBANG-1 via mail drop. It appears that INDER has boats which are rented to sportmen for deep sea fishing trips. AMBANG-1, in turn, will attempt to procure a boat identical to that in the picture sent by Subject. Accordingly, on given instructions the boat rented by INDER will depart from a point in Cuba, heading for another port in Cuba. All official Cuban Government communication regarding the clearances necessary for the INDER boat will be made by INDER prior to the departure of the boat. The INDER boat would then depart Cuba, heading out to sea, presumably destined for Havana. The two boats (the INDER boat and the identical boat acquired by AMBANG-1) will rendezvous on high seas and make appropriate exchanges; then the INDER boat will return to its port of destination.

4. Contact with 201-736492. In San Juan the contact between AMBANG-1 and 201-736492 will be made through [redacted] (CIA Doc 106) who is a [redacted] and resides in the USSR.

5. AMBANG-1 commented that he had a 102-foot boat which he is willing and intends to use against Fidel. He reported the fact that approximately \$40,000 worth of arms had been lost in Santo Domingo as a result of the insurrection in that country.
