DISPATCH

SN

[redacted] We have never discussed about people from Austria.
 [redacted] Because we had no idea how to contact them.
 [redacted] Yes, and also, because this was supposed to be a small meeting.
 [redacted] Now it's smaller than small.
 [redacted] Yes.
 [redacted] There is a possibility to have a representative of the Austrian Centra
 Organizations of Trade Unions. I have friends from Austria and I think
 [redacted] and [redacted] exchange several comments--ca

0554

[redacted] leaves for Parliament.
 [redacted] ... (something about Hungary, DDR)... Why do you resist every idea I
 [redacted] No, but this has to be agreed upon if they send you. I have never ev
 imagined that somebody would be available from Austria.

0572

[redacted]
 [redacted] For instance, here you mention HAROLD (or Hal or Al??) GIBBONS (ph),
 International Teamsters-- As far as I know, this is JIM HOFFA's trade union.

[redacted] JIM?
 [redacted] A real gangster trade union.
 [redacted] I don't think so.
 [redacted] Well, it is. Haven't you seen that film 'On the Waterfront'? It's mi
 up with the Mafia.

[redacted] No, they are very decent people.
 [redacted] Perhaps this HAROLD GIBBONS (ph)--although I think I've seen that name
 somewhere and not on our side--because this is the most gangsteric trade unio
 in the U.S.

[redacted] I like gangsters. (Back and forth on this. Then on a more serious lo
 [redacted] getting fed up with hearing that [redacted] wants a [redacted] trade unionist to
 send out personal invitations to this Prep Meeting.)

0618

[redacted] CURTIS MCLEAN.
 [redacted] Well, anybody from the ILWU (International Longshoremen's and Warehouse
 Union, although your Big BORIS (AVERYANOV) didn't believe for a minute that
 somebody from there would come.

[redacted] But here CURTIS MCLEAN, did he participate in the Sixth Conference?
 [redacted] Yes.
 [redacted] Why didn't he come for the special?

0629

[redacted] Because your Big BORIS said that this is exactly the trade union--their
 people--who are building the ships for Vietnam and if the war stops they will
 be unemployed and therefore in the last period said nothing about Indochina.
