THIS IS UNEVALUATED INFORMATION *C/S Rodriguez*

SOURCE: **Cuban born US citizen.**

Source is an active member of the anti-Castro groups and returned recently from Cuba.

- 1. I was in Cuba recently contacting some of the underground groups when it was announced that Mayor Eloy GUTIERRES MONOYE had defected and had arrived in the US with a group of his henchmen.**
- 2. Many of the underground leaders were told by this informant inasmuch as Gutierrez Monoyo is considered an agent provocateur by the anti-Castro groups. They also have many reasons to believe that two of Gutierrez Monoyo's companions, named Angel [redacted] and [redacted] are really Cuban intelligence agents.**
- 3. The representatives of the anti-Castro groups in Miami and other parts of the US have been advised not to trust Gutierrez Monoyo or any member of his group should they attempt to join any of the groups operating in this area.**
