Question #3 - Did McCone or Raborn have any information on this:  
What?

Answer:

Office of Security records contain only limited information in regard to this question. The SE Division (then SR) was the responsible office for the confinement of Nosenko until late October 1967 when total responsibility was transferred to the Office of Security by the DCI. It is presumed that the DCI was at least generally aware of the confinement of Nosenko and the conditions of confinement, but any definite statement must be based on SE records.

Question #4 - Where is Nosenko working now?

Answer:

Nosenko is currently employed at his personally owned residence in North Carolina. He is engaged in research and analytical work based on his previous knowledge of the KGB and other Soviet matters. He is in the Washington, D. C. area for several days approximately every six weeks for direct interviews by the FBI and Office of Security personnel.

Question #5 - Is he working for CIA?

Answer:

Nosenko has been employed by the Agency on a full-time contractual basis since 1 March 1969. The original contract has been periodically amended to reflect additional remuneration, primarily to compensate for cost of living increases. In late 1972, Nosenko was compensated by mutual agreement for salary not received during the 1 April 1964 to 1 March 1969. In addition, on 12 July 1973 Nosenko signed an acknowledgement and release of the United States Government and the Central Intelligence Agency from any claims prior to that date.

Question #6 - What is his legal status?

Answer:

Nosenko was naturalized as a United States citizen in April 1974.
