

MEMORANDUM FOR THE RECORD

DATE 20 September 1976

SUBJECT George De Mohrenschildt

FILE NUMBER 775

On 20 September 1976, C/SAG⁰³ requested that I contact [redacted] CI Staff, RL 1117, regarding her interest in the security file on Subject.

I called [redacted]⁰³ and she related that Subject had written a letter to the DCI asking for his assistance. It seems that Subject feels he is being harrassed as a result of his involvement with the Lee Harvey Oswald case.

[redacted]⁰³ indicated that CI staff had been requested to look/ develop some information on Subject for the DCI. In response to this request, CI Staff has sent the attached cable to the FBI and was requesting any pertinent information in OS files.

I provided [redacted]⁰³ with a copy of summary of Subject's file prepared on 21 December 1967 in connection with the Garrison case. She said this would be sufficient information for her purposes.

This document and the cables below were not filed until after the FOIA search was completed, in 1976.
