REVOCATION OF CRYPTOGRAPHIC CLEARANCE

DEBRIEFING STATEMENT

have been informed that my CIA cryptographic clearance has been revoked effective this date.

- 2. I understand that revocation of my cryptographic clearance bars me automatically from further access to CIA staff cryptographic material or information, but that it does not release me from my obligation to protect the security of cryptographic information, the knowledge of which I might still retain. I shall continue to protect that information to the best of my ability, and I shall likewise protect the cryptographic information of other U. S. Government agencies should I have knowledge of that information.
- 3. I have read the provisions of Public Law 513 of 13 May 1950. I understand that I am bound by that Act even after the revocation of my cryptographic clearance and my termination from CIA, and that improper disclosure of cryptographic information could subject me to punishment under the provisions of the Act.
- 4. I certify that no CIA staff cryptographic material remains in my possession.
