Morales advised that he currently has available a boat in the target area to be utilized in the landing of four indigenous ~~persons~~ in Key West Florida - the boat ~~is~~ is capable of traveling to U.S. waters and then

returning to the base & area. To  
plans call for [redacted] to  
 rendezvous with the vessel and use  
 rubber raft in the Key West Waters  
 and make the landing on a selected site  
 in Key West. This landing is scheduled  
 for the week end of 6-7-8. May

Morales and [redacted] are to  
 coordinate their activities with  
 priority call with Reckhardt. The  
 latter or [redacted] will advise me  
 of the exact date of arrival and the site  
 for the landing. Since the landing  
 is to be made by raft [redacted] will  
 travel to Key West with some at which  
 time I can accompany him to identify  
 the landing site. After landing the  
 individuals will be furnished a point  
 of destination by Reckhardt.

It is required that this
