29. (Unclassified - PG) ADMINISTRATIVE DELIVERIES After consultation with Messrs. Cary and Miller, I delivered the most recent batch of FOIA material bearing on the Kennedy assassination to the staff of the House Select Committee on Assassinations. I was accompanied by Mr. Carpenter of the Liaison Staff. Mr. A. Sprague, Chief Counsel, House Select Committee on Assassinations, was not available, and I spoke with several staff members including Mr. Stephen J. Fallis, Deputy Chief Counsel, and Mr. Alvin B. Lewis, Jr., Special Counsel. (See Memo for the Record.)

30. (Unclassified - RJK) LIAISON Received a call from Dr. Calhoun Cohen, Senate Democratic Policy Committee staff, who requested a copy of the Agency publication entitled "USSR: Hard Currency Trade and Payments, 1977-78." Since he wished to have it this afternoon, arrangements were made for a courier to deliver it to his Russell Senate Office Building address.

31. (Unclassified - RJK) LIAISON Mr. E.H. Knoche, DDCI, hosted a breakfast for Freshmen House Democrats. The following members attended: Representatives Ronnie G. Flippo (D., Ala.); Harold L. Volkmer (D., Mo.); Peter H. Kostmayer (D., Pa.); Albert Gore, Jr. (D., Tenn.) and Ike Skelton (D., Mo.). Following the breakfast, the group, except Representative Flippo, was given a tour of the Agency Operations Center.

32. (Internal Use Only - RJK) LIAISON At his request, picked up from Charles Snodgrass, House Appropriations Committee staff, 15 copies of "Intelligence Community Staff FY 1977 Supplemental Budget and FY 1978 Budget" and also transcripts of Mr. E.H. Knoche's, Acting Director, appearance before the House Appropriations Subcommittee on Defense on 3 February 1977 and Mr. William E. Colby's, Director, appearance before the Subcommittee on Defense on 21 February 1975. The budget books were turned over to Bill Kvetkas, Jr., Director, Office of Program and Development, IC Staff, and the transcripts returned to the OLC files subject to call by the House Appropriations Committee. Snodgrass said that he had a safe drawer full of sensitive classified waste, and I told him I would come by shortly to pick it up and bring it to the Agency to be destroyed.
