1. This is a followup to our discussion about my participating in a dinner session with Mr. G. Robert Blakey, Chief Counsel, House Select Committee on Assassinations. In short, Mr. John Walker, SA/DO/O, hosted a dinner on 3 November attended by Messrs Sovern, SA/DO/O, Cummings, OLC, Shackley, ADDO, and Blakey. Mrs. Walker, Mrs. Sovern and Mrs. Shackley were also present. We had been led to believe that Mr. Blakey wanted to talk about the Pawley-Bayo operation, better known in our files as operation "Tilt". It was also my understanding that he also wanted to get a feel for the Cuban exile world of South Florida as of 1962. Both items were touched on in low key during the course of the evening.

2. The only specific request that came out of this session was that Mr. Blakey was interested in obtaining any compendium that we might have on all Cuban exile groups that were in existence in the Miami area in 1962. An overview survey of this type did exist, and we will try to locate a copy to see if we can pass it to Mr. Blakey.

19. (Secret - PG) THIRD AGENCY Telephoned Michael Smith, NSA, to inform him that the DCI would be meeting on that day with the Director of NSA. Since we have encountered some difficulty in continuing to act for NSA with congressional committees/subcommittees investigating the ROK/KCIA, I told Mr. Smith that the DCI might well address some of these problems in his meeting with the NSA Director. I added that I had attempted to reach Mr. Smith and Jerry Burke, NSA, on 21 October without success, in order to inform them of the upcoming meeting between the two Directors. Mr. Smith thanked me and indicated he would be alert to the outcome of the meeting, insofar as the Director of NSA is concerned.

13-16 20. (Internal Use Only - PG) LIAISON Recontacted Martha Talley, on the staff of the House Committee on Standards of Official Conduct, to arrange with her a deferment of the interview of a former station chief who must travel to Washington from Mexico. I explained that we had encountered administrative problems, and that we wish to resolve these before proceeding further. We settled on 2 November for the new date. Ms. Talley said this would offer no problem.

21. (Secret - PG) LIAISON Telephoned Michael J. Hershman, Deputy Staff Director, Subcommittee on International Organizations, House International Relations Committee, to confirm with him a meeting on 27 October with representatives of EA/JK. The Subcommittee has acquired a document from a source other than CIA which Mr. Hershman quite properly believes will be of interest to us, and this will be one of the subjects of discussion on 27 October.

22. (Unclassified - RSG) LIAISON Met with Wayne Smith, staff of House Merchant Marine and Fisheries Subcommittee on Oceanography, to advise him of further responses to his inquiry on behalf of Representative John Breaux (D., La.) regarding technology transfer in the area of oceanography. (See Memo for the Record.)

23. (Confidential - DTC) LIAISON Set up a meeting for tomorrow morning with Professor G. Robert Blakey, Chief Counsel and Staff Director, House Select Committee on Assassinations, to review DDO material on the "Bayo-Pawley Action" in June 1963.

He said that Mr. Dodd might be interested in having Peter Fourt, ORPA, bring him up to date on the most recent international activity concerning the neutron warhead, but Feuerwerger will let us know about this.
