

STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief CSE Desk

DATE: 2 August '54

FROM : S/A J. F. Emse

SUBJECT: # 40696

[Redacted] Special Contracting Officer,  
 Ltr. 3908 advised that in writing up the  
 contract for the subject, this date, it came to  
 his attention that the subject is entering the  
 Agency building to obtain shots, and it is also  
 anticipated that he shall enter Agency bldgs.  
 over a one year period for "industrialation." It  
 is noted that subject's contract shall be written

but he wanted to advise the S.D. of this matter so that subject's clearance could be properly policed.

PP/Staff. rpt. 8606 was advised that the above had come to our attention & that

- 1) Subject's clearance was for use in the U.S. only - any contemplated overseas use should be brought to the attention of this office;
- 2) that Subject's presence in this or any overt help was contrary to clandestine service instructions;
- 3) that Subject's presence in these beds on a visitors pass is highly unsatisfactory & physical security representatives shall be notified of this.
- 4) That this office intends to go on record to ST/C regard-  
ing this matter. Newby stated he is in full
