24. (Confidential - DFM) LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, and set up a meeting for him with [redacted] C/CCS, at 11:00 a.m. on 3 April to discuss a story regarding Agency [redacted] which may appear shortly in the Chicago Sun Times. 24

I also asked Miller if there was any remaining assistance the Agency could provide on the matter of a briefcase temporarily lost by one member of the Committee staff and Miller said he thought not.

25. (Confidential - DFM) LIAISON Received a call from Stan Taylor, Senate Select Committee on Intelligence staff, who referenced one answer provided by the Agency to the supplemental questions 13-24 submitted by the Committee regarding Agency activities [redacted]. Taylor thought that the documents referenced in this answer might help in convincing the Committee to delete the most offensive sentence in the interim report. I promised to bring the materials to Taylor the following morning.

26. (Unclassified - GLC) LIAISON Steve Fallis, House Select Committee on Assassinations staff, called in follow-up of his call on Friday concerning security clearances and related matters. I told him that Mr. Doug Cummins would be in touch with him today, after he has talked with our Security people.

27. (Confidential - GLC) LIAISON Called Sam Hoskinson, National Security Council staff, to check on the President's contacts with the Senate Select Committee on Intelligence on the Micronesia statement. He confirmed that the President had talked with Chairman Daniel Inouye (D., Hawaii) on Friday afternoon and the Chairman had indicated that the Committee would hold off any action on the statement until Chairman Inouye returned to Washington and the Committee meets on Tuesday. At that time, the matter will be brought before the full Committee again. Hoskinson said the President was also considering calling Senator Gary Hart (D., Colo.) on the matter.
