MEMORANDUM FOR: S. D. Breckinridge
Deputy Inspector General
FROM : E. H. Knoche, DDCI
SUBJECT : Downing Committee

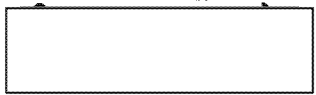

I have read your memorandum of 14 October to the Deputy Legislative Counsel. I agree with all the points you have made in it and would like to be advised if you or Mr. Miller encounter any problems in carrying out what you suggest.

I am particularly impressed with the need to count on the full-time participation of members of your working group who are actively involved in file research. I am interested also in ensuring that appropriate registry operations are provided for.

Please keep me informed.
