8 February 1952

#67378

The files of G-2, Department of the Army, were checked in Subject's name on 5 February 1952. A file in the name [redacted] was reviewed and disclosed the following information:

In a letter to the Commanding General, 2nd Army, Fort George G. Meade, Maryland from Intelligence Division, General Staff, U. S. Army, Washington, D. C., dated 25 May 1949, the Investigations Section states that information has been received from the Plans and Operations Division, General Staff, U. S. Army, liaison agency with the U. S. Atomic Energy Commission, for the Department of the Army, that [redacted] was granted "Q" clearance on 2 February 1949. The AEC clearance number is NY 6514.

The above information was predicated upon an L/S from 2nd Army, to Director of Intelligence, requesting verification of "Q" clearance regarding above individual.

File further reflects that the FBI conducted investigations on 18 January 1949 at Cincinnati, Ohio and 12 January 1949 at Pittsburgh, Pennsylvania regarding Subject.

BIRTH AND CITIZENSHIP:

EDUCATION:

At Columbus, Ohio:

The records of the Registrars Office, Ohio State University on 21 February 1952, revealed that SUBJECT was a student from 1935 to 1939, at which time he graduated with a B.S.C. degree.

EMPLOYMENT:

At Columbus, Ohio:

On 7 February 1952, the records of the Ohio Bureau of Credits revealed that SUBJECT is presently the Assistant Director of the Research Foundation of the Ohio State University. Upon graduation from O.S.U., or shortly thereafter in December 1939, SUBJECT was employed by the university as Assistant Fraternity Auditor. He later moved from that position to that of Assistant Director in 1946. Prior to the time, he was employed as a mechanic in [redacted] Hilliards, Ohio.

NEIGHBORHOOD:

At Columbus, Ohio:

On 2 April 1952, it was determined that SUBJECT resides in an apartment building [redacted] near the university. [redacted] stated that she has known the SUBJECT and his wife since the time of their moving in the building, which was about three years ago. She described them as "most substantial people" and added that SUBJECT is the Assistant Director of the Research Foundation, Ohio State University. He is most capable, likeable and respectable man and enjoys a fine reputation in the building and in the neighborhood generally. She further stated that the FBI had investigated him several years ago, apparently in connection with his job at the Foundation. She described SUBJECT and his wife as

"upper middle class" with one son, about twenty-five years of age who is married and resides out of Ohio, although he is presently staying with his folks because his wife is in a hospital in Columbus with their newly arrived baby. Informant stated that she knew nothing but good relative to SUBJECT and his family and that he is truly a patriotic American.

[redacted] stated that she has known SUBJECT and his wife as neighbors and that they are fine people, respected in the community and are conservative in their living and habits. They have one son, Ed, who is presently staying with them. SUBJECT, according to informant, is "homey" and does not drink or have any bad habits to her knowledge. She considers him a one-hundred percent American.

[redacted] stated that she has been acquainted with the SUBJECT and his wife for about a year as neighbors. She knew little about them except that they are nice people and well thought of in the neighborhood. They are quiet, do not engage in many social activities. Informant confirmed SUBJECT's employment and added that she knew of nothing of a derogatory nature regarding the SUBJECT or his family.

[redacted] stated that she has known SUBJECT and his wife just three years or since the time they moved into the building, three years ago this month. She stated that she liked them very much and knew of no finer people. They are respected in the community and are quiet and conservative. SUBJECT neither drinks or carouses and is a "homebody", except that he plays a great deal of golf with her husband. Informant stated that SUBJECT's son [redacted] is presently with SUBJECT coming here from West Virginia for the arrival of their newborn youngster. She added that SUBJECT has a fine position with the Research Foundation as Assistant Director, and is a thorough American.

in this part of the community. She stated that everyone seemed to have a good word for both SUBJECT and his wife and she knew of nothing derogatory in the regard. She added that [ ] knew the SUBJECT and his wife.

On 3 April 1952, [ ] was interviewed and stated that she had known the SUBJECT's wife since they were youngsters living in Hilliard, Ohio and that she has known SUBJECT since he and his wife married nearly thirty years ago. The -----'s were wonderful people and well thought of by everyone. SUBJECT was formerly employed by [ ] after which he returned to Ohio State University. He was later employed by O.S.U. in some capacity, becoming [ ]. Informant suggested another person that was acquainted with the -----'s, [ ].

On 3 April 1952, [ ] was interviewed and stated that she had known the -----'s and that they were very close friends. She knew of nothing derogatory regarding SUBJECT and stated that she considered the ----- family as the highest type of people. SUBJECT's son, Ed, is engaged in some type of Engineering work, believed to be in Detroit, Michigan

AGENTS NOTE:

It was determined that [ ] SUBJECT's former employer, and personally known to the writer, is presently confined to a hospital and not available for interview.

[ ] stated that SUBJECT was the best mechanic they had ever had in the garage. Informant stated that he has heard [ ] make this statement many times since SUBJECT left in 1937. He further stated that SUBJECT and his wife had a fine reputation and were patriotic Americans. Informant had attended high school with SUBJECT's son Ed, whom he described as a first rate fellow, who displayed that he came from good people.

CREDIT AND CREDIT REFERENCES:

At Columbus, Ohio:
