MEMORANDUM FOR: CIA Review Group

TERMS : Special Assistant to the DDCI

SUBJECT : Review of ECD Relationships With Pan American  
World Airways, Its Subsidiaries and Individuals*AZ*

1. Attached is a report to me certifying that the ECD records on Pan American World Airways (PAA) have been searched. My review of the possible Category III items is as follows:

*AL 3 ad*  
 Item 4.a. - The individuals mentioned are probably Mr. and Mrs. George de Marencholit of Dallas who, I believe, are the only persons who were acquainted with both Lee Harvey Oswald and President Kennedy; not Category III and of no consequence in my judgment.

*HIG 807*  
 Items 4.d. and e. - See nothing improper in these; the documents summarize in draft the cooperation of a PAA employee with the Air Force after coordination with ECD. There would be no impropriety in Air Force passing it otherwise regarding a PAA employee for his assistance, a common Air Force practice.

Item 4.f. - Based on Mr. Affinito and Miss Schrot's comment, I directed that another search should be made because the memorandum suggests that ECD might be able to use its influence with American firms, including PAA, to make Nobuto's try to the US a success. There is no indication anywhere in our case correspondence, however, that Identity 27, an Africa Division officer, visited ECD's New York Field Office on this matter or that the subject was ever discussed further than in this single piece of correspondence.

Item 4.h. - The comment is slightly incorrect in that NYHQ SD5 suggests that CIA material on the Soviet SST be given to [redacted] DCD New York Field Office

2. After Miss Schrott and Mr. Affinito completed their survey  
and signed their certification (attached), Miss Schrott located  
two additional firms, IBM 4534 and PA 69654 (attached), which  
indicate that a request was made by a [redacted] official and responded  
to by Chief, ICD in regard to the contemplated Southeast Asia  
operations by Continental Airlines, a possible [redacted] competitor.

3. You will note an inconsistency in the handling of our  
material on I.A. Mr. Affinito and Miss Schrott have omitted the  
information they selected and have used true names in their comments  
to me. In the interest of speed, I have not corrected this  
inconsistency.
