MICROFILM

INFO. [Chief of Station, Port-au-Prince] 27, 16-8

FROM: Chief, WH Division

SUBJECT: C Interception of George de MORENSCHILDT's Mail

ACTION REQUIRED · REFERENCES

REFERENCE: [HTPA-]1689, 6 October 1965 22

16-8

1. [The Stations's] efforts in successfully intercepting and monitoring George de MORENSCHILDT's personal mail have been appreciated and the accumulation of addresses of his correspondents should be sufficient.

2. KUDESK has recently queried ODENVY about the latter's interest in this type of coverage and ODENVY has indicated no further interest. Therefore, unless [the Station] feels 16-8 there is a need to continue intercepting de MORENSCHILDT's mail it is suggested that this requirement be suspended in the de MORENSCHILDT case.
