- 4. In 1959 McCARNS amplied for and received a second passport for three months tourist travel to England and France. McCARNS failed to answer questions in his application as to whether he was then or had ever been a member of the Communist Party. In October 1959 ODENVI loarned that McCARNS was enrolled in Peking University and had been there since September 1959. ODENVI further learned that McCARNS planned to study in Peking for three years and then remain in China to work.
- 5. During an interview on 12 September 1957 by CDENVI, McCANNS was asked if he had ever been a member of the CP to which he replied "It is none of your business." In answer to a further question as to whether he considered the CP to be a subversive organisation, McCANNS replied "I consider the CP to be the same as any other political party and it is none of your business if I have ever belonged to it." McCANNS refused to answer any further questions and terminated the interview.
- 6. During an interview on 10 November 1960 with McCANNS' mother. Mrs. W. E. B. DUBOIS, the latter stated that McCANNS was no longer residing in Peking but was unemployed and touring France.
- 7. The statement in paragraph 1 of reference that his wife's first name is Shirley is possibly incorrect, inammich as all records on hand indicate that the name of McCANNS' mother was Shirley Graham McCANNS, who married a Dr. W. E. B. DUBOIS in February 1958. If McCANNS has married someone by the name of Shirley it is not reflected by any documents on hand at this time.
- 8. Br. W. E. B. BURNIS, step-father of McCANNS, is well known to ODENVY and his communist affiliations are well substantiated by numerous documents. Mrs. Shirley Graham McCANNS DUBOIS also has a long record of association with communist organizations and has been identified as a communist in a number
- 9. For your information, ODENVI has requested that we report on a continuing basis any information we may obtain concerning McCANES' activities while abroad. Please pouch Headquarters any further information you may have acquired on McCANES for transmission to ODENVI.
