Students Broadcasting on Radio Station WRUL**

ACTION REQUIRED / REFERENCES
ACTION: None, FYI

1. Mr. Ralf BRENT (T), manager of Radio Station WRUL in New York City, has informed Headquarters that a group of Cuban students has consulted him on starting a program over that station. The group bought and paid for five minutes of air time five days a week immediately following the program of Luis CCNTE Aguerro.
2. While this was not identified by Mr. BRENT with the DRE, you may wish to check it out to determine if it is DRE-sponsored and where the money is coming from to pay for it.
