LANGUAGES Knows Finnish rather well (Lohwater). (Subj's Finnish noticeably weaker than Ivan Y. SERGEYEV's (predecessor) (OFHA-2148, (VACCINE/1) O1). Speaks only Russian & Finnish according to own statement (OFHA-2419).	
PREVIOUS CAREER AND EDUCATION Source (Lohwater) said Subj stated he had attended secondary school and the "Language Institute." Subj stated he was a Col. in Sov Army during WW II & saw action in Leningrad & Moscow -- was wounded 6 times; Helsinki is 1st foreign assignment.	
PERSONALITY (Habits, use of money, hobbies, literature, vices) When (Lohwater) showed Subj photo of his children, Subj became quite emotional & almost wept. Remarked that he and his wife have wanted to have children for past 6 yrs., but have had no success. Appeared pleasant to source, but after somewhat ruthless interview with some Finn mothers who were begging him to allow return of their sons from USSR, appeared quite stern. Source thought Subj was hard Commie, although he admired the material accomplishments of US. Feels Subj is very much a Sov Commie and is not defectable. Very pleasant and jovial with good sense of humor. Great sense of humor, very quick, very sharp & witty. Constantly refers to self as Ukrainian. Wears double-breasted suits - Western style.

Min of Int told GULB, if Sov govt had complaints to make he should make them through when asked if he thought there were any dangers to these Sov gambits, [VARIATION] replied that expect the Soviets to do anything more than conversational hints.

On 21 Jan 58 Subj called [VACCINE] & invited him during the lunch Subj, for some reason, wanted [V] that he manages to keep informed of certain even though [V] doesn't help him, for examples. Belkneve that Oskari VAINONEN and Antti HAKARA are in Raaparanta. He has photos of documents & knows that an American interrogates these men in Raaparanta. In American Captain (G. did not remember name) said, while he was drunk, that the detective WESTERBERG is his friend and has the job of keeping track of Soviets. He knew that there was a mtg of Scandinavian Security chiefs in Helsinki in Nov & that ETHOLINI (Sweden) & JENSEN (Denmark) & the Nor chief attended. [V] said this was the American military has 15 persons working for them in Helsinki although only 7 appear in the Corps Diplomatique. Col. Bjork, the Amer Adl Att, is the man who calls the shots for anti espionage. At one point in the talk [V] said he took G. to task for having interests in w/diplomat job. G. protested that his interests were purely diplomatic a than normal consular duties.

[V] said that Subj had just (date not given) called 27 June 58 him and asked him to lunch, but since [V] was seeing Subj had left on the 25th of June. [V] was to meet Subj one hour after we left him, that is, at 1500 hrs. He suggested to [V] that he ask Subj about the executions in Hungary (NAGY & associates), but [V] said that the question is a little bit too delicate for him to put to Subj - although he asked [V] how long Subj would be gone, [V] said he did not know but would try to find out. In reference to your mild concern re [V]'s relationship w/Subj [OPRA] 2668, 13 Feb 58, we have occasionally suggested replies and comments designed to harass Subj, but always w/out exception [V] has turned them down as inappropriate, just as he did on this one. [V] is in Hungary.

7. Subj had asked [VACCINE/1] to try stopping NTS literature sent to Sov officials from Sweden last Spring and told [VACCINE/1] on 21 Jan 58 that the mailings had stopped. [VACCINE/1] when queried by subj said he had talked to two persons in Sweden re this. Subj was profuse in his thanks & said that it is a great step for his career that he will be able to report to Moscow that he has enough influence with [VACCINE/1] to get a job like this taken care of... When subj was asked by [VACCINE/1] "Are you the highest intelligence officer the SU has in Finland?" subj protested that his interests were purely diplomatic and that he had no other than normal consular duties. As an additional comment to the conversation on the NTS matter, subj appeared highly pleased and remarked that Moscow had recently told him that his reporting was far better than anything [VACCINE/1] had done.

Subj invited [VACCINE/1] to lunch with him at Jan 58, and told him how much he knows about what goes on in Finland.

In mid-December, [VAIKELORY/12] told [VARIATION/1] the following which [V/1] passed to station. GOLUB had recently complained to Johannes VIRGLAINEN that the Finn security police were not paying any attn to cases of British & American espionage in Finl, adding that the Sovs had info regarding Western espionage in Finl & would be glad to furnish it to the security police. GOLUB said some of the Western cases were old & some new. Did not elaborate. Source did not say what VIRGLAINEN's reply was to GOLUB. [V/1] then said it would behoove AIS officers in Hels to be as careful as possible cause it quite possible security police would receive orders to keep their eyes sharply peeled for oper involving Finnish citizens. Pendleton briefed all senior ODEARL people. ODUNIT man said he had rec'd a warning few days earlier from a friendly Finn offer that another ODUNIT offer had been seen too frequently driving a Volkswagen w/dipl plates around freight yards of Hels. (This was ODUNIT's energetic factory & freight car marking program.) The ODOATH man said his family had noticed Finn policeman on the beat outside his house had recently begun to go to phone booth & make a call every time the senior ODOATH man left his house and drove towards town. Everyone took warning seriously. [V/1] to tell us any further developments.

On 31 Dec 57, [VARIATION/1] told Station that Subj had visited the Min of the Interior re security police having contacts with Westerners. [V/1] was told that it had no connection with him; Finl a free country & people had right to talk with any one they pleased. Min of Int asked him exactly what he was driving at - Subj was evasive & gave a vague non-sequitur answer which gave no hint as to what proof the Soviets were talking about. Min of Int told GOLUB if Sov govt had any official complaints to make he should make them thru proper channels. When asked if he thought there were any deeper significance to these Sov gambits,

01

[VARIATION/1] replied that he did not expect the Soviets to do anything more than drop these conversational hints.

William L. Costello, FBI, attended a luncheon on Wednesday, 10 Dec 58. During the luncheon Costello was identified as the new Vice-Consul for the U.S. After the lunch they came directly up to Costello, introduced himself and asked C. to join him at this table for coffee and cognac. Subj was extremely friendly and proceeded to ask the usual "W-2" type questions, such as Costello's home in the States, how long he's been in Helsinki, did he have a diplomatic title also, etc. Subj mentioned that his wife was in the Sov Union and that he was living alone in his apartment. Subj speaks no English, so Finnish was used.

GOLUB, Grigorie Ya.

Subject, Soviet Consul who replaced P.S. SEMENOV, joined the Helsinki Consular Corps, which had previously had no Sino-Soviet bloc representation in the fall of 1957. Since the Consular Corps is not specifically a "western" body, the Corps had no valid reason to refuse his entry. As far as is known, no other Sino-Soviet bloc representatives have followed GOLUB into the Corps.

4. Regarding Grigory Ye GOLUB whose name came up again [REDACTED] reversed his field from last time and said he does think he is up to some funny business and his opinion is based on, 1) the man knew Finnish well when he came here which is unusual among the Soviets, 2) the man is not accredited by the Finnish Foreign Office as Consul anymore than his predecessor, I.E. S'KOLYEV, was. Incidentally, he added that Golub had been advised by the Foreign Office that he was not accredited and should take care of this matter but up to now GOLUB has paid no attention to it.
