#### PROGRESS REPORT

Subject

LIBACON-1

Period Covered: January 30 to August 14, 1969

- 1. LIBACON-1 was recruited by Samuel J. KARTASUK on January 30 and was handled by him until March 26. During this period they held nine ops meetings.
- 2. Bruce H. FERNALD took over LIBACON-1 on March 26 and handled him to August 14, when he turned i.b. ever to Pouglas F. DITMANSON. During this period 16 ops meetings were held.
- 3. After a fine recruitment job KARTISUK also accomplished the difficult task of converting LIBACON-1's agreement to work for KARTASUK personally into a regular working arrangement.
- A. Of the nine meetings KARTASUK held with LIBACON-1, actually only six were working meetings. Info was obtained on LIBACON-1's personal background as well as his ops potential. LIBACON-1 was SGSWIRLED with satisfactory results. Further, LIBACON-1 was motivated to work for us and he was mentally prepared to accept another handler. During this period the condition which LIBACON-1 had placed on his agreement to work for us was respected (i.e., that he would not be asked to report on his personal friends both as Spaniards, his students, or Mexicans to whom he wis emotionally retached). LIBACON-1 did complete for KARTASCK a 15-line written report on AEDIEHARD.
- 5. FERNALD encountered no problems in getting along with and handling LJBACON-1, whom he got accustomed to following instructions and to submitting reports in writing.
- or more accurately, to assist us in our work against AEKICK, but he was determined to keep himself away from everybody and everything associated with AEKICK. He did not see AEDIEHARD for more than four months, and when they met accidentally in a resort, LIBACON-1 was decisively turning down everything AEDIEHARD asked for. He went as far as to accept a lunched appointment with AEDIEHARD, and then a day before it was to take place he postponed it indefinitely.

- 7. FERNALD succeeded in convincing LIBACON-1 that he should maintain social or friendly personal contact with AFDIEMARD and his colleagues and that he could do it without either giving in to his or their demands, or at the other extreme, without saying no to everything they mention or ask for. LIBACON-1 followed instructions and went to AFDIEMARD's office to ask him why he had not called him for ten weeks. The result was that LIBACON-1 had two luncheon meetings with AEDIEMARD in July, and on August 8 LIBACON-1 and his wife were dinner guests of AEDIEMARD and his wife at their apartment. The AEDIEMARDs agreed to come to LIBACON-1's place for a farewell dinner in September and in the meanwhile LIBACON-1 and AEDIEMARD will meet for a luncheon on August 29.
- 8. FERNALD insisted from the beginning of his handling of LIBACON-1 that the latter prepare bio sketches on the MHARSHers he knew personally and on Spaniards who had lived in the USSR. LIBACON-1 prepared bio sketches, which are actually personality assessments, on AEDIEHARD, IDENTITY A, IDENTITY B, IDENTITY C, and IDENTITY D. The latter two reports showed that he would also report on two Spaniards who are close friends of his, in spite of his earlier conditions. Further, FERNALD instructed LIBACON-1 to contact a good friend of his (IDENTITY E) when the latter returned from a longer trip to Czechoslovakia. LIBACON-1 carried out the assignment well and reported (orally) about IDENTITY E's observations, impressions and conclusions conderning what he saw and heard during his stry in his country. IDENTITY E is also a good personal friend of LIBACON?
- 5. From the above it can be seen that LIBACON-1 has developed into a person who has confidence in us, and he accepts without reservation that we know what we are doing.
- 10. In analyzing LIBACON-1's written reports it can easily be seen that LIBACON-1 takes his assignments seriously and when he makes a statement about a person be is scrupulous about drawing only that conclusion which can be corroborated with facts. LIBACON-1 if equally serious and reliable when he reports about his meetings with AEDIETAID: He first reports the course of the meeting and reports AELICIARD's statements verbatim, as much as possible. Then, he uses bit area knowledge and the knowledge of the person to relay the actual meaning of the statements. FERNALD not only believes that LIBACON-1's reporting is reliable, but he also feels that one can depend on LIBACON-1 to use his knowledge of the area and resple to separate the appearance and verbiage from the facts, be they good or Libacon and resple to separate the appearance and verbiage from the facts, be they
- 11. An assessment of the moral and political reliability of LIBACON-1, from the point of view of his work and activity on our behalf can only be favorable. The same cannot be said when one views his personal life. In this field he has many problems, which, generally expearing, are a result of the fact that while he is intellectually mature (or at least adequately mature for his age).

when it comes to emotions he acts like a teen-ager. LIBACON-1 is aware of this fact and he ascribes it to the fact that he grew under conditions of regimentation and moral terror; and when he found himself in a world in which people live free and there are no restrictions on personal activities, as long as they do not violate the laws of the country, he remained possessed by the desire to enjoy this freedom. Fortunately, his personal immaturity affects his work for us only to the extent that he occasionally may not complete an assessment; but when he does do a job he does it very well.

12. To conclude: Although LIBACON-1 has his problems, there are restricted to the area which does not affect his reliability, dependability and loyalty to us and our cause. It is felt that LIBACON-1 will be still more productive and easier developed when handled by a case officer speaking Russian; i.e., the language of his formative years.

SECRET

HE HAD NOT YET HAD CHANCE TO TRY OBTAIN DIRECTORY, BUT PROMISED TRY HAVE ONE FOR 25 JUNE MEETING.

2. AEDIEHARD HAS CAREFULLY PROBED SUBJECT BY ASKING IF HE NOT AFRAID OF HAVING FJSTEALER TO HIS HOME (SUBJECT REPLIED THIS WOULD NOT AFFECT HIM IN ANY WAY); BY SUGGESTING THAT SUBJECT "SO WELL INFORMED HE MUST BE WOFIRM AGENT" (SUBJECT LAUGHED THIS OFF AND TOLD AEDIEHARD HE HATED WOFIRM); AND BY EXPLAINING TO SUBJECT HE NEED THE INFO HE ASKED FOR "ON ONE HAND TO ADVACATE IN HIS SCAREER AND ON OTHER HAND TO PREVENT MISUNDERSTANDINGS TO WHICH LACK OF INFO CAN EASILY LEAD". WHILE AEDIEHARD GAVE SUBJECT HIS PHONE NUMBER, HE TOLD SUBJECT NOT TO USE IT. MEETINGS (USUALLY IN RESTAURANTS) ARE ARRANGED IN ADVANCE, AND SUBJECT HAS NOTED THAT AEDIEHARD PARKS SIX BLOCKS AWAY FROM MEETING PLACE, TAKES BUS TO POINT ONE BLOCK PAST MEETING PLACE, THEN SLOWLY WALKS BACK OBSERVING SURROUNDINGS. MEETINGS SCHEDULED FOR HOURS WHEN RESTAURANTS NORMALLY QUITE EMPTY.

AEDIEHARD PREVIOUSLY AWARE LIOVAL-1 LIBACON-I CONTACT AND HAD AT TIMES FISHED FOR INTRODUCTION BY OCCASIIONALLY ASKING LIBACON-1 TO PUT HIM ON CONTACT WITH PERSONS WHO COULD TRAVEL TO WOLADY, BUT HAD SEVER BEFORE MENTIONED LIOVAL-1 BY NAME. WHEN LIBACON-1 RESISTED BY STATING LIOVAL-1 NOT ONLY HIS STUDENT BUT ALSO GOOD FRIEND WITH WHOM AEDIEHARD COULD ACHIEVE NOTHING BECAUSE OF LIOVAL-1'S SERSONAL INTEGRITY AND POLITICAL CONVICTIONS. AEDIEHARD BECAME ASUSIVE AND FLATLY DEMANDED THAT LIBACON-1 MAKE INTRODUCTION. LISACON-1 CONTINUED TO REFUSE (HE IS TRULY OPPOSED TO MAKING INTRODUCTION AS HE DOES NOT WANT TO GET INVOLVED WITH AEKICK AND DOES BUT WANT TO DO ANYTHING WHICH WOULD MAKE LIOVAL-1 SUSPECT HE IS INVOLVED WITH AEKICK) AND AEDIEHARD EVENTUALLY INSISTED THEY MEET FOR LUNCH FOLLOWING WEEK TO DISCUSS a may 69 MATTER FURTHER.

(13) On 12 December 1968 two team members spotted Valentin S. LOGINOV (known KGB) walking with an unknown Mexican male. After LOGINOV departed the Mexican remained at a restaurant for an hour appearing to be waiting for someone. The Mexican finally departed after making a phone call and was lost in heavy traffic. The team members obtained the Mexican's license plate number from which he was identified as Ignacio VALLINA Barros.

- 4. As previously, Subject's reporting was terribly confused.

  /// Innot every point let her into rambling tendents. She said that

  /// INNOT surfived at her bost's home at an 19:20on a Pebruary. About

  four wouth and Subject were there. They were all quests at the

  // Innoten to which APDIMMED had been invited. The male quests had

  long since devalted to their jobs. \AMDIMMED made his usual impression all the firls, some of whom he had mot before. "They all loved

  him." AMDIMMED stayed until on 23:00 when he left plending a

  provious appointment.
- 5. AIDIMIAND debriefed her on her activities since they lest not and told how that he would be coming to New York on vacation. She invited him to visit her and gave him her address and telephone number (under coparate cover). She asked about the manuscript of her knot which she had left with him. He told her that it was in good hands and that he was looking for a publisher. She teld him that the was leaving on the merning of 9 February and he premised to set her again before she left. Actually, AMDIMIAND spent considerably more time charming the other ladies than he spent talking to Dubject.
- the care officer's presence. He was not in. She was told to call later which according to LIMMOV she did but he was still not in.
- The case officer called her again on the evening of 8 February but since ADDICHARD and not contacted her, she was not may. She was instructed to call the Station before contacting AFDILIAND on her next visit. She departed on the morning of 9 February.
- 2. Since AEDIEMARD did not engage in significant conversation with her and made no attempt to see her a second time, it would seem that he has no interest in her. This is not surprising since AEDIEMAED could hardly escape the same assessment of her that the case efficien has. She made an even worse impression than at the itraf interview—a tetally self-centered person who could not even femalics the last names of the women who met AEDIEMARD although the can talk endlessly about them on how they relate to her. Her sind to totally distracted.
- 9. In view of the chove, the Station believes that Subject would be es no use against ALDIEHARD and plans to terminate her, if all reappears in Mexico.

D. THIS PROVOCATION OF HIS CONTACTS IS STANDBARD PRACTICE
WITH SUBJECT. HE SEEMS TO HAVE A COMPULSION TO COME UP WITH
SLIGHTLY OFFENSIVE PROVOCATIONS. TUS TWO WEEKS AGO AT A SIMILAR
LUNCH AT ANOTHER GERMAN, S HOUSE, HIS PROVOCATIONS TO GERMANS
ON NIXON'S VISIT TO BERLIN AND ELCTION OF PRESIDENT THERE LED
TO HIM INSULTING HOSTS AND LEAVING IN A HUFF SHORTLY BEFORE HE
WOULD HAVE BEEN EVICTED.

E. LIREALM FEELS THAT HIS HARPING ON LIREALM'S WORK FOR WOFIRM IS SUBJECT'S STANDARD PROVOCATION FOR HIM (LIRELM AND WIFE ARE ONLY AMERICANS IN GROUP) AND THAT SUBJECT HAS NO HARD INFO ABOUT HIS WOFIRM CONNECTIONS. HOWEVER, LIREALM ALSO FEELS THAT IF SUBJECT IS ALLOWED TO CONTINUE THIS PROVOCATIVE LINE WITHOUT EFFECTIVE REBUTTAL, LIREALM CAN BE MADE TO LOOK TO FOOL IN THE GROUPS EYES. IN LIREALM'S ESTIMATE NONE OF GROUP SUSPECTS HIS STATUS IN MEXICO BUT THINK THAT THE WOFIRM LINE IS JUST SUBJECT'S WAY OF PROVOKING THE ONLY GRINGO IN THE GRMEP.

2. LIREALM STATED THAT SUBJECT IS VERY GOOD IN DISHING IT OUT TO EVERYBOOK BUT INVARIABLY COMES OUT A POOR SECOND IN REPARTEE AFTER DELIVERING INITIAL DIG. HE CAN NOT TAKE IT, IS THING SKINNED, AND EMBARRASSES EASILY.

- (1) HE DID NOT WANT TO CAUSE EMBARRASSMENT FOR AEDIEHARD IN EVENT U.S. OFFICIALS WOULD TAKE SOME ACTION EITHER THROUGH MEXICAN GOVERNMENT OR DIRECTLY WITH SOVIET OFFICIALS.
- (2) HE DID NOT WANT TO CAUSE TROUBLE FOR HIMSELF IN EVENT U.S. OFFICIALS DECIDED TO INVESTIGATE HIM. HE FELT THAT REGARDLESS WHETHER THEY DID INVESTIGATE HIM OR NOT, THEY WOULD PLACE HIM ON SOME SORT OF "SUSPICIOUS LIST" AND THIS COULD HANDICAP HIS BUSINESS INTERESTS AND SOCIAL RELATIONSHIPS WITH VARIOUS EMBASSY COUPLES WITH WHOM HE AND HIS WIFE WERE FRIENDLY.
- (3) HE SAW NO REASON WHY HE COULD NOT CONTINUE TO SEE
  AEDIEHARD SOCIALLY AS BEFORE BUT THAT HE KNEW THAT IF HE
  REPORTED TO EMBASSY HE WOULD PROBABLY BE ASKED TO CEASE
  THIS CONTACT IN HIS BEST INTERESTS AND THOSE OF THE EMBASSY.
- E. LIREALM WOULD THEN ASK FOR QUID PRO QUO. "LET US CONTINUE AS FRIENDS, SUCH AS LEONOV AND I WERE, BUT DROP THIS

HOPEFULLY IT WOULD SET STAGE FOR CONTINUING CONTACT WITH AEDIEHARD ON PROFITABLE BASIS SO THAT WE CAN PROFESSIONALLY ASSESS THIS SOVIET WHICH FULFILLS THE SECOND OBJECTIVE. WE EVALUATE LIREALM'S REPORTING ON HIS SOVIET CONTACTS AS ACCURATE, LUCID, AND USEFUL. THE RECENT PART ON AEDIEHARD COMPLETED BY LIREALM IS POSITIVE STEP IN RIGHT DIRECTION. HOWEVER, SHOULD AEDIEHARD PERSIST WITH HIS GAMES PLAYING WE HAVE NOT CLOSED DOOR ON LIREALM GOING TO THE EMBASSY AND CARRYING OUT ACTION DESCRIBED IN STATION MESSAGES. THUS THIS OPTION STILL VALID.
