The following SW message was received from (AMOT-34) on 12 May 1961. The message also contained intelligence information which is being reported separately.

(AMOT-106) and [redacted] are under surveillance and have not been able to retrieve equipment (W/T set) due to constant militia guard (of A-106's) farm. On 8 May I talked to AMOT-1 and brought him up to date regarding my equipment (W/T set), and also about still having my signal plan and pads intact.
