My dear Carito:

I am awaiting your arrival so that we can chat but at the same time I want you to know that we had lunch with "Liling" and that I sent the samples (paint) to Rolando. I hope that Rolando can come in December if the business of the paint goes well.

I am now transferred to the Embassy with Dr. Carrillo who would like to eat with you.

This is my new address:

Friend Carlitos:

Since your letter of the 9th, if I remember correctly, we have not received news of you. I have not answered you since I took advantage of an opportunity to go to Barcelona where I stayed for 10 days. I am now back in Paris and am hoping for your arrival here. If you have now fixed a date for your trip, tell me when to expect you. I don't know if you are aware that ^{ob}Trasanco does not work in the Consulate but he has been transferred ^{to} the Embassy.

Carrillo is the Ambassador - I don't know if you remember him. He, at least, remembers you and told me that if you came I was to let him know so that the 3 of us could have lunch together. In this letter I am sending you the new address for ^{ob}Trasanco. ^{ob}Trasanco has just arrived and I will enclose that which he has also written.

Without further news,

Your friend,

^{ob}
