Madrid, May 14, 1965

Dear Carlitos:

I write you after a long time without having done so; before anything else I hope that on receiving this letter you as well as yours are in good health.

I spoke with Rufo (?) yesterday and he told me he had received your letter stating you would come within two months.

<sup>04</sup> Well, now <sup>02</sup> I will tell you that I received a letter from (Gallaretta) - (QUIJOPS/1) which he tells me he has not had any problems and that everything is perfect. When you receive this letter Alberto will be about to depart since he was leaving Tuesday via Prague and he left Paris today.

Letters from Manolo, although irregularly, continues to come in therefore I will continue maintaining the Apartment (?) (P.O. box) here in Madrid. I imagine that Alberto (Blanco-SAMLASH/3) may have called you from Paris because he told me he was going to do so.

As you can see everything is going well and the only one remaining outside is me, I hope I can resolve matters so that I also may enter and take part in the final activity.

Sonia (his girl friend or wife) tells me to send you many regards.

Well, Carlos, without anything else give my regards to Silvia and for you receive regards from your friend,

/s/ Jorge

P.S. Remember if you can do something about the job in the Hilton or anywhere else. On receiving this letter you will have heard of the maritime accident. Write to me at the home of the Gallego
